Sustainability is Key Success Factor in Dukhan's Business Model

Dukhan Bank Sustainability Statement:

Creating value through the integration of ESG (Environmental, Social and Governance) initiatives in our Business Model.

As a Shariah compliant bank, we have much in common with ESG principles. Through our Group sustainability strategy, which is aligned with both the Qatar National Vision 2030 and the United Nations Sustainable Development Goals, we have identified the main areas of focus.

Dukhan Bank has a defined sustainability framework, consisting of three pillars i.e. Sustainable Finance, Sustainable Operation and Community. Under each pillar the bank focuses on sustainability topics most material to both our business and stakeholders. All three pillars will contribute to Dukhan Bank's sustainable financial performance and improved brand equity.

The Bank will capitalise on its already strong position in introducing innovative digital transformation and infrastructure to support its ESG initiatives.

Bank Strategy focuses on Customer Partnerships & Shareholder Value
