Report on review of the interim condensed consolidated financial statements to the board of directors of Dukhan Bank Q.P.S.C.

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Dukhan Bank Q.P.S.C. (the "Parent") and its subsidiaries (together "the Group") as at 30 September 2026 and the related interim condensed consolidated statement of income, interim condensed consolidated statement of comprehensive income and interim condensed consolidated statement of income and attribution related to quasi-equity for the three and nine month periods then ended, and the related interim condensed consolidated statement of changes in equity, interim condensed consolidated statement of cash flows and interim condensed consolidated statement of changes in off-balance sheet assets under management for the nine-month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with Financial Accounting Standard ("FAS") 41 "Interim financial reporting" issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") as modified by Qatar Central Bank ("QCB"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with FAS 41 issued by AAOIFI as modified by QCB.

New standards, amendments and interpretations effective from 1 January 2026***FAS 45 – Quasi-Equity (Including Investment Accounts)***

AAOIFI has issued FAS 45 in 2023. This standard prescribes the principles of financial reporting related to the participatory investment instruments (including investment accounts) in which an Islamic financial institution controls the underlying assets (mostly, as a working partner), on behalf of the stakeholders other than the owners' equity. Such instruments (including, in particular, the participatory investment accounts) normally qualify for on-balance-sheet accounting and are reported as quasi-equity. This standard also provides the overall criteria for on-balance-sheet accounting for participatory investment instruments and quasi-equity, as well as pooling, recognition, derecognition, measurement, presentation and disclosure for quasi-equity. It further addresses financial reporting related to other quasi-equity instruments and certain specific issues. The concept of quasi-equity has been introduced in FAS 1 – General Presentation and Disclosures in the Financial Statements (Revised 2021) which was adopted by the Group during the year 2024.

FAS 46 – Off-Balance Sheet Assets Under Management

AAOIFI has issued FAS 46 in 2023. This standard prescribes the criteria for characterization of off-balance sheet assets under management, and the related principles of financial reporting in line with the "AAOIFI Conceptual Framework for Financial Reporting". The standard encompasses the aspects of recognition, derecognition, measurement, selection and adoption of accounting policies, related to off-balance sheet assets under management, as well as certain specific aspects of financial reporting such as impairment and onerous commitments by the institution. The standard also includes the presentation and disclosure requirements, particularly aligning the same with the requirements of the revised FAS 1 – General Presentation and Disclosures in the Financial Statements in respect of the statement of changes in off-balance sheet assets under management. This standard, along with FAS 45 "Quasi-Equity (Including Investment Accounts)", supersedes the earlier FAS 27 "Investment Accounts".

3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**New standards, amendments and interpretations effective from 1 January 2026 (continued)***FAS 47 – Transfer of Assets Between Investment Pools*

It requires adoption and consistent application of accounting policies for such transfers in line with Shari'a principles and rules and describes general disclosure requirements in this respect.

FAS 48 – Promotional Gifts and Prizes

AAOIFI has issued FAS 48 on 9 December 2024. This standard prescribes the accounting and financial reporting requirements applicable to promotional gifts and prizes awarded by the Islamic financial institutions to their customers, including quasi-equity and other investment accountholders.

This standard sets out the principles of financial reporting for Islamic Investment Institutions ("IIIs") particularly prescribing overall requirements for the presentation, minimum contents and recommended structure of their financial statements in a manner that facilitates truthful and fair presentation in line with Shari'a principles and rules. This standard shall be effective on the annual financial statements of an IIIs beginning on or after 1 January 2027.

FAS 51 – Participatory Ventures

AAOIFI has issued FAS 51 "Participatory Ventures", which prescribes the accounting and financial reporting principles for the recognition, measurement, presentation and disclosure of participatory ventures, including arrangements based on Mudaraba and Musharaka. The standard replaces FAS 3 "Mudaraba Financing" and FAS 4 "Musharaka Financing" and expands the scope to address accounting in the books of the working partner(s) as well as the financial reporting of the participatory venture itself, including ventures with gradual transfer of ownership such as running and diminishing Musharaka, variable equity ventures and restricted Mudaraba. In light of the ongoing geopolitical developments and the resulting increase in uncertainty within the economic environment in which the Group operates, management has conducted a comprehensive assessment of the potential impact of these developments on its operations and financial position, including an evaluation of the associated credit risks. This assessment included a review of financing assets, investments, and off-balance sheet exposures and resulted in an increase in ECL where considered necessary (note 4(a)).

As part of this process, management analyzed the sectors, counterparties, and exposures that may be more sensitive to these developments. The outcomes of this analysis have been reflected, where appropriate, in the measurement of expected credit loss allowances. Based on the information available as of the reporting date, and given the evolving nature of these conditions, the ultimate impact remains uncertain.

The Group will continue to monitor developments and reassess the situation in future reporting periods as necessary.
