## Report on review of the interim condensed consolidated financial statements to the board of directors of Dukhan Bank Q.P.S.C.

### Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Dukhan Bank Q.P.S.C. (the "Parent") and its subsidiaries (together "the Group") as at 30 June 2026 and the related interim condensed consolidated statement of income, interim condensed consolidated statement of comprehensive income and interim condensed consolidated statement of income and attribution related to quasi-equity for the three and six month periods then ended, and the related interim condensed consolidated statement of changes in equity, interim condensed consolidated statement of cash flows and interim condensed consolidated statement of changes in off-balance sheet assets under management for the six-month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with Financial Accounting Standard ("FAS") 41 "Interim financial reporting" issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") as modified by Qatar Central Bank ("QCB"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with FAS 41 issued by AAOIFI as modified by QCB.

**New standards, amendments and interpretations effective from 1 January 2026*****FAS 45 – Quasi-Equity (Including Investment Accounts)***

AAOIFI has issued FAS 45 in 2023. This standard prescribes the principles of financial reporting related to the participatory investment instruments (including investment accounts) in which an Islamic financial institution controls the underlying assets (mostly, as a working partner), on behalf of the stakeholders other than the owners' equity. Such instruments (including, in particular, the participatory investment accounts) normally qualify for on-balance-sheet accounting and are reported as quasi-equity. This standard also provides the overall criteria for on-balance-sheet accounting for participatory investment instruments and quasi-equity, as well as pooling, recognition, derecognition, measurement, presentation and disclosure for quasi-equity. It further addresses financial reporting related to other quasi-equity instruments and certain specific issues.

The concept of quasi-equity has been introduced in FAS 1 – General Presentation and Disclosures in the Financial Statements (Revised 2021) which was adopted by the Group during the year 2024.

***FAS 46 – Off-Balance Sheet Assets Under Management***

AAOIFI has issued FAS 46 in 2023. This standard prescribes the criteria for characterization of off-balance sheet assets under management, and the related principles of financial reporting in line with the "AAOIFI Conceptual Framework for Financial Reporting". The standard encompasses the aspects of recognition, derecognition, measurement, selection and adoption of accounting policies, related to off-balance sheet assets under management, as well as certain specific aspects of financial reporting such as impairment and onerous commitments by the institution. The standard also includes the presentation and disclosure requirements, particularly aligning the same with the requirements of the revised FAS 1 – General Presentation and Disclosures in the Financial Statements in respect of the statement of changes in off-balance sheet assets under management. This standard, along with FAS 45 "Quasi-Equity (Including Investment Accounts)", supersedes the earlier FAS 27 "Investment Accounts".

**3. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)****New standards, amendments and interpretations effective from 1 January 2026 (continued)***FAS 47 – Transfer of Assets Between Investment Pools*

In light of the ongoing geopolitical developments and the resulting increase in uncertainty within the economic environment in which the Group operates, management has conducted a comprehensive assessment of the potential impact of these developments on its operations and financial position, including an evaluation of the associated credit risks. This assessment included a review of financing assets, investments, and off-balance sheet exposures and resulted an increase in ECL where considered necessary (note 4(a)).

As part of this process, management analyzed the sectors, counterparties, and exposures that may be more sensitive to these developments. The outcomes of this analysis have been reflected, where appropriate, in the measurement of expected credit loss allowances. Based on the information available as of the reporting date, and given the evolving nature of these conditions, the ultimate impact remains uncertain.

The Group will continue to monitor developments and reassess the situation in future reporting periods as necessary.

**5. OPERATING SEGMENTS**

The Group has four reportable segments, as described below, which are the Group's strategic divisions. The strategic divisions offer different products and services, and are managed separately based on the Group's management and internal reporting structure. For each of the strategic divisions, the Group Management Committee reviews internal management reports on at least a monthly basis. The following summary describes the operations in each of the Group's reportable segments.

**Unused credit facilities**

Commitments to extend credit represent contractual commitments to make financings and revolving credits. Since commitments may expire without being drawn upon, the total contractual amounts do not necessarily represent future cash requirements.

**Guarantees and Letters of credit**

Guarantees and letters of credit commit the Group to make payments on behalf of customers in the event of a specific event. Guarantees and standby letters of credit carry the same credit risk as financings.

**Lease commitments**

The Group leases a number of branches and office premises under operating leases. Non-cancellable operating lease rentals are payable as follows:

*Impairment testing of goodwill*

For the purpose of impairment testing, goodwill relates to the Group's subsidiaries and the acquisition of IBQ. The impairment testing of goodwill is carried out at each year-end. If the recoverable amount of the CGU is less than its carrying amount, an impairment loss is recognized.
