## INDEPENDENT AUDITOR'S REVIEW REPORT

**To The Shareholders**  
**Barwa Bank Q.S.C.**  
**Doha – Qatar**

### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Barwa Bank Q.S.C. ("the Bank") and its subsidiaries (together referred to as the "Group") comprising the interim consolidated statement of financial position as at 30 June 2017, and the related interim consolidated statements of income for the three month and six months periods ended 30 June 2017, changes in owner's equity, cash flows and changes in restricted investment accounts for the six month period then ended, and certain explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI"), the applicable provisions of Qatar Central Bank regulations, the basis of accounting mentioned in note (2a) of the accompanying interim condensed consolidated financial statements and the Bank's undertaking to operate in accordance with Islamic Shari'a rules and principles. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not presented fairly, in all material respects, in accordance with note (2a) of the accompanying interim condensed consolidated financial statements and applicable provisions of Qatar Central Bank regulations.

The final version of IFRS 9 was issued in July 2014, replacing the earlier versions of introducing new classification and measurement requirements (issued in 2009 and 2010) and a new hedge accounting model (issued in 2013) and has an effective date of 1 January 2018. IFRS 9 will replace IAS 39 Financial Instruments: Recognition and Measurement and introduces new requirements for the classification and measurement of financial assets and financial liabilities, a new model based on expected credit losses for recognising loan loss provisions and provides for simplified hedge accounting by aligning hedge accounting more closely with an entity's risk management methodology.

The application of IFRS 9 may have significant impact on amounts reported in the interim condensed consolidated financial statements and will result in more extensive disclosures in the interim condensed consolidated financial statements. However, the Group is currently in the process of evaluating and implementing the required changes in its systems, policies and processes to comply with IFRS 9 and regulatory requirements, and hence it is not practical to disclose a reliable quantitative impact until the implementation programme is further advanced.

**4. FINANCIAL RISK MANAGEMENT**
