INDEPENDENT AUDITOR'S REVIEW REPORT

**To The Shareholders
Barwa Bank Q.S.C.
Doha – Qatar**

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Barwa Bank Q.S.C. (“the Bank”) and its subsidiaries (together referred to as the “Group”) comprising the interim consolidated statement of financial position as at 30 June 2016, and the related interim condensed consolidated statements of income for the three month and six month periods ended 30 June 2016, changes in owner’s equity, cash flows and changes in restricted investment accounts for the six month period then ended, and certain explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the Financial Accounting Standards issued by the Accounting and Auditing Organisation for Islamic Financial Institutions (“AAOIFI”), the applicable provisions of Qatar Central Bank regulations, the basis of accounting mentioned in note (2a) of the accompanying interim condensed consolidated financial statements and the Bank’s undertaking to operate in accordance with Islamic Shari’a rules and principles. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of the interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not presented fairly, in all material respects, in accordance with note (2a) of the accompanying interim condensed consolidated financial statements and applicable provisions of Qatar Central Bank regulations.

The significant accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those used in the preparation of the consolidated financial statements as at and for the year ended 31 December 2015.

New standards, amendments and interpretations effective from 1 January 2016

AAOIFI has issued a new accounting standard on investment accounts – Financial Accounting Standard Number 27 (FAS 27): Investment Accounts. The new FAS 27 updates and replaces two of AAOIFI's previous accounting standards relating to investment accounts – FAS 5: Disclosure for bases for Profit Allocation between Owners' Equity and Investment Account Holders as well as FAS 6: Equity of Investment Account Holders and Their Equivalent.

This standard applies to investment accounts based on Mudaraba contracts which represent 'equity of investment accountholders, and on Mudaraba contracts that are placed on "short-term basis" (overnight, seven days, one month basis) by other financial institutions as "interbank deposits" for the purpose of liquidity management. However, it is not applicable to own equity instruments, wakala contracts, reverse murabaha, musharaka or sukuk.

Adoption of the above standard did not have a significant impact on the interim condensed consolidated financial statements or the amounts reported in the comparative periods.
